19. Helping others is a _____ experience.

- a. feel-good
- b. feel-neutral
- c. feel-well
- d. feel-bitter

Ans: a. feel-good

Explanation: Helping others is a positive, uplifting experience, so "feel-good" fits best.

20. Where does "feel good" BEST fit?

- a. The movie was funny; it was a _____ film.
- b. The accident was scary; it was a _____ moment.
- c. The argument felt awkward; it was a _____ talk.
- d. The sad story made us cry; it was a _____ ending.

Ans: a. The movie was funny; it was a feel good film.

Explanation: A comedy or uplifting movie is described as "feel-good."

21. When do we typically use "feel well"?

- a. Describing a positive emotional state
- b. Describing physical health or condition
- c. Describing about picnic
- d. Describing a bad memory

Ans: b. Describing physical health or condition

Explanation: "Feel well" is used to describe physical health, not emotions.

22. Which situation is best described by "feel well"?

- a. Recovering from illness
- b. Enjoying a party
- c. Losing a game
- d. Helping someone out

Ans: a. Recovering from illness

Explanation: "Feel well" is used when someone is recovering or regaining health.

23. After the surgery, he started to _____ quickly.

- a. feel good
- b. feel well
- c. feel sad
- d. feel angry

Ans: b. feel well

Explanation: "Feel well" is used when talking about physical recovery, like after surgery.

24. Choose the sentence where "feel well" is used incorrectly:

- a. I feel well after resting.
- b. She feels well after her recovery.
- c. It's a feel well movie.
- d. Because of fever, Reena didn't feel well.

Ans: c. It's a feel well movie.

Explanation: "Feel well" should describe physical health, not emotional or mental states.

Topic	Usage of Feel good vs Feel well	Last updated on	22 January 2026

25. Which of the following is NOT a correct use of "feel well"?

- a. She feels well after her long rest.
- b. I hope you feel well soon.
- c. He feels well after the surgery.
- d. They feel well after a tasty meal.

Ans: d. They feel well after a tasty meal.

Explanation: "Feel well" is used for physical health, not after enjoying food. In this sentence, "feel good" would be more appropriate, as it describes a positive emotional response to a tasty meal.

26. I ate something bad yesterday, and I _____ today.

- a. don't feel well
- b. feel good
- c. feel better
- d. don't feel good

Ans: a. don't feel well

Explanation: This sentence implies that the speaker is experiencing physical discomfort or illness, so "don't feel well" is the most appropriate phrase.
